

VIII INTERNATIONAL SYMPOSIUM INNOVATIONS IN LIFE SCIENCES

First information letter

Dear colleagues!

*Belgorod State National Research University (Russia),
Dezhou University (China),
Tashkent Pharmaceutical Institute (Uzbekistan)
invite you to participate in the
VIII International Symposium
«INNOVATIONS IN LIFE SCIENCES».*

The symposium will be held at the Belgorod State National Research University (Belgorod) on **May 28-29, 2026** in a combined format.

The symposium includes a number of scientific events (conferences, round tables, seminars, open lectures).

The main directions of the symposium:

- New materials and chemistry.
- Advanced training for new materials, chemistry, and bioeconomics.
- Microbiology, biotechnology, bioeconomics
- Biology and resource supply: vectors of the future
- Pharmaceutical cluster: education, science, production, new technologies.
- Innovative technologies of the food industry..

A round table "Technologies for implementation in bioeconomy" will be held within the framework of the symposium

Key dates:

- | | |
|---------------------|--|
| May 12, 2026 | deadline for registration and submission of abstracts; |
| May 28, 2026 | registration of participants, opening of the symposium, plenary session; |
